Personal Information:

Name	:	Jared Onyiego
Date of birth	:	12th Dec 1989
Nationality	:	Kenyan
Gender	:	Male
Languages	:	English, Kiswahili
Official Address	:	P. O Box 40200 - Kisii.
Telephone	:	+254715223003
Email	:	zerry319.wit@gmail.com

Career Profile:

I am a software engineer with a keen eye for detail.
I have a abundant experience in C/C++ and Reverse engineering for 10+ years.
I like to take on difficult and long-term tasks that are not easy.
Reversing and crack in app,dll,resource file etc various types of software binaries is that I have been doing since.
I have inerested encryption and decryption , I enjoy working with C, C++, C# and more another language and producing solutions for interesting and challenging requirements. So recently I have done many project with API scraping and encryption and decryption. also I pick up new technologies and programming languages fast, and regularly follow software development news and best practices. I am able to see projects through from the planning phase to testing and implementation, and work independently while being accountable to clients/managers/stakeholders.

Technical Proficiency:

Programming:

Main language: C, C++, C# , Assembly language, API scraping, more another language, RSA/AES/HNAC etc encryption and decryption, Web socket and API programming…

Operating systems, Tools & Applications:

Windows, Linux, Visual Studio, VS Code , Git, Cmake, Perl, NASM, IDA, x64 dbg, Cheat engine, dn spy, win hex, Device monitoring studio, packing tool.

Databases:

MySQL, SQL Server, Derby, Sqlite

Professional strengths:

✓ Good knowledge of Software development, Reverse engineering techniques, Databases, Network Programming, OS and Data Structures, encryption/decryption algorithm.
✓ Possess good management and organizational skills.
✓ Ability to work in a team and independently.
✓ Good motivated, enthusiastic and open to learn new ideas.
✓ Sound knowledge of recognizing and analyzing problems.
✓ Ability to handle multiple tasks.
✓ Possess excellent verbal and written communication skills.

✓ Quick learner.

Extra-Curricular Activities:

✓ Recently, I succeeded in finding an algorithm to encrypt and decrypt request/response data in VIVO and XIAOMI phone servers.

✓ As a freelancer I have worked on dozens of Web/Desktop projects including high quality Desktop, Network, Database, Mobile and Web based applications.

Educational Summary:

Kenyatta University
Bachelor of Science in computer science (IT) (2009-2013)
